As of early July 1952 public security units in the military sub-districts of the Shantung Military District, under HSU Shih-yu (6079/0013/0645), had been ordered to expand and to reorganize into public security divisions. The necessary men were to be drawn from the peace preservation units of the cities and the hsien within the military sub-district affected. If these units were insufficient, militiamen would then be recruited, by special recruiting teams, in the cities and in the rural areas. The divisions were to be completely formed by the end of August.
